

DONATE A TABLET !

Instead of having your old iPad or Android tablet gather dust or tossing it in a local landfill, why not donate it to the Market Street Mission for use in several new interactive courses for men recovering from alcohol and drug addiction?

You can erase any personal material (or we will do so) as long as the operating system is intact. Then we will purchase and install the interactive curriculum onto the tablet.

Your donation is completely tax-deductible to the extent permitted by the IRS.

Tablet Requirements

1. Tablet must work and have an intact screen, speaker, gyroscope, and camera. Charger, cable, and case are nice extras but not necessary.
2. Operating system. Apple iOS4 or higher. Android 5.0 or higher.
No Amazon Fire or Microsoft Windows.
3. Brand. Apple iPad 3 or later, iPad Air, iPad Pro, iPad Mini 2, 3 or 4.
Any Android brand (Samsung, ASUS, LG, etc) that has Android 5.0 or 5.1.
4. Android Memory: 1.5 gb RAM or more. Storage: 16gb or more.
5. Display size: 6" or greater; 7.9" or greater is preferable. (No mini tablets)

Donor Name and Address (Tax donation form will be sent to this address)

Name _____

Address _____

City State Zip _____

E-mail _____

Brand and model of tablet _____

Please Send Tablet (and this form) to collection point for loading software:
